

Five Simple Ways to Use Augmented Reality in the Elementary Classroom

Presented by: Karrie Martin and Melanie McFadden
Walled Lake Schools

We are so excited to see you at the AssisTechKnow Conference! In order to fully participate in this session, it will be helpful if you bring your smartphone and/or ipad. It will be helpful if you have downloaded any, or all, of the following apps.

- Aurasma - free
- Quiver - free
- Quiver Education - \$7.99
- AR Flashcards - \$2.99 - \$7.99
- Elements 4D by DAQRI - free
- Anatomy 4D by DAQRI - free

We will be spending a portion of the morning creating content to match our curriculums. Please bring resources to support this endeavor. Possible resources are text books such as math, social studies or science, favorite chapter books or classroom trade books, homework samples, student art work, a photo of yourself, etc.
